We are proud to announce the Trusp Young Lawyers Scholarship. This scholarship is to be awarded to a deserving law student for the 2014-2015 academic year and consists of a \$1,000, payable through the law school for the student's behalf.

The partners at Trusp strongly believe in the importance of a legal education, no matter what type of career individuals enter. In our eyes, a legal education provides a great foundation for analysis and thoughtfulness in both a business and professional world. Moreover, Trusp is sympathetic to the financial constraints posed by so many law students. We want the law students of America to be able to focus all their attention on their academic studies. Now more than ever, America needs passionate attorneys qualified to properly promote our civil justice system with the goal of making a real difference in lives of victims and other individuals who have been legally wronged.

Trusp is committed to finding the right attorney to obtain justice for personal injury victims and wrongfully terminated and discriminated against employees.
